

Prospective Borrower:

Thank You for considering a Small Business Administration 504 Loan through Community Development Resources. Our application forms have been designed to help us expedite your financing request. When you fully complete the application and provide us with the requested documents, we can maximize the use of our customized software and reduce your paperwork throughout the remainder of the process.

- Complete the 504 Loan Application based on the business that will generate the funds to repay the loan. We call this the **Operating Company**. The SBA allows another company to own the real estate and lease it back to the Operating Company with a few specific requirements. This is referred to as the **Real Estate Holding Company**.
- Complete the **Personal History Statement** (Form 912) and **Personal Financial Statement** for each owner of 20% or more of the Operating Company and/or the Real Estate Holding Company. All owners of 20% or more will also be required to guarantee the SBA 504 loan.
- Using the enclosed **Checklist**, assemble and submit the items appropriate for your business and project. Much of the information can be supplied by your banker.
- Documents stating your current business financial information should all be based on the same date. Your **Aging of Accounts Payable & Accounts Receivable** and **Business Debt Schedule** should relate to information reflected on the **Interim Financial Statements**.

When looking at the list of required items it may seem a bit overwhelming, however, many of the items you will have already supplied to your banker, who can then copy and forward them to us.

If you have questions regarding the SBA 504 program or the application process, please give us a call. When the application package is completed, contact us and we will set a meeting date with you or you can mail it to the address below.

We believe you will find the SBA 504 Loan Program to be a powerful tool to help your business grow and we look forward to working with you.

504 Loan Program

1. INTEREST RATE ON DEBENTURE AND NOTE

The interest rate on the Debenture and on the Note between you and Community Development Resources CDC (CDC) will not be set until the time of the Debenture sale. CDC will issue a Debenture not to exceed 40% of the SBA eligible project costs. This Debenture will be sold to investors after satisfaction of all conditions required by the CDC and United States Small Business Administration ("SBA"). Market conditions at the time of sale will determine the fixed interest rate for the Debenture and Note between you and CDC.

2. MONTHLY PAYMENT

The monthly payment on the Note includes principal and interest, plus the CDC servicing fee, the SBA guaranty fee and the Central Servicing Agent ("CSA") servicing fee (see paragraph 4 below).

3. THE FOLLOWING FEES ARE PAID THROUGH THE SBA LOAN PROCEEDS:

SBA GUARANTEE FEE:

A reserve deposit as a % of the Net Debenture Proceeds may be deducted by the CSA, and deposited into a reserve account. The reserve deposit is non-refundable and no interest accrues to borrower. Currently the reserve deposit is ZERO.

FUNDING FEE:

The funding fee covers certain costs associated with marketing and selling 504 Debentures. The funding fee is 1/4 of 1% of the Net Debenture Proceeds.

CDC LOAN PROCESSING FEES:

- a. Loan Processing Fee: CDC will charge a one-time processing fee equal to 1.5% of the net proceeds of the Debenture.
- b. Closing Fees of up to \$2,500 for legal fees which are further addressed in Paragraph 7 of this document.

UNDERWRITING FEE:

The Underwriters provide financial advisory services in connection with the 504 Debentures, and build and maintain a secondary market. The Underwriters' fee is up to 2/5 of 1% of the face amount of the Debenture.

DISCLOSURE STATEMENT REGARDING 504 LOAN CHARGES AND PROCEDURES

4. CENTRAL SERVICING AGENT, CDC SBA FEES

The SBA has appointed a Central Servicing Agent ("CSA") to collect monthly payments from borrowers and transfer them to investors. For this service, CSA receives an annual servicing fee of 1/10 of 1% per annum on the balance of the loan. Please note that you are required to authorize the CSA to make automatic withdrawals of the monthly loan payments from your checking account. CDC will provide reporting and portfolio management services for the term of the Note. For these services, CDC will receive a servicing fee equal to 5/8 of 1% per annum on the balance of the loan. During the term of the Note, SBA will receive an ongoing guaranty fee equal to .389 % per annum on the balance of the loan; this fee is subject to change. These three fees are recalculated at each 5 year anniversary of the Note funding date.

5. TITLE POLICY/FINANCING STATEMENT REPORT

You are solely responsible for all costs associated with the Policy of Title Insurance that insures CDC's and SBA's lien on the subject property. Such insurance is separate from title insurance for third party lenders. If personal property is taken as security, you are responsible for all costs for perfecting CDC's and SBA's security interest in the property, plus all UCC-1 Financing Statement and related reports. In most cases, you will be invoiced for title charges directly by the title company. If you are not billed directly by the title company, you will be required to provide to CDC a check for all title charges.

6. WITHDRAWING LOAN APPLICATION AFTER SBA APPROVAL

In the event you withdraw your loan application after SBA issues the SBA Authorization and Debenture Guaranty, ("Debenture Authorization"), or if the Debenture Authorization is withdrawn, cancelled or terminated for any reason,

you agree to pay CDC a sum equal to 2/3 of the total CDC Loan Processing Fee on the loan package, less any deposit paid to CDC. This amount shall be due on the date of withdrawal, cancellation and/or termination. It is understood that all Debenture Authorizations contain conditions which must be satisfied prior to funding of the Debenture.

7. LEGAL FEES AND CLOSING COSTS

Legal Counsel for CDC will charge a fee (legal fees), which may be less than but in no instance will exceed \$2,500. Other costs related to closing the loan may include but are not limited to fees charged for loan documentation, property tax service and UCC filings. Up to \$2,500 of the legal fees and closing costs may be paid through the debenture. If these legal fees and closing costs exceed \$2,500 dollars, the difference must be paid directly to CDC. You are solely responsible for paying any attorneys' fees or other closing costs in relation to the Debenture and loan, whether or not the Debenture is funded. The Debenture Authorization may reflect Legal Fees under the category of Closing Costs.

8. INDEMNIFICATION/ATTORNEYS' FEES

a. You will indemnify and hold CDC and its officers, directors, employees and agents harmless from any and all liability for any loss, damage, or injury (including, without limitation, attorney's fees incurred with attorneys of CDC's choice) arising out of or resulting from:

Your failure to receive the subject loan; and /or Any losses, damage, or liability to you, your business and/or your principals, related parties/entities, guarantors, agents, successors and others, except for any loss caused by the sole intentional misconduct or sole gross negligence of CDC.

b. You hereby, on behalf of yourself and your principals, related parties/entities, guarantors, agents, successors and/or insurers, waive all claims, losses and injuries against CDC, SBA and/or their agents, representatives and/or successors which are related or arise from the SBA 504 Loan and Debenture program. This waiver includes, but is not limited to general, special, indirect, incidental or consequential, exemplary, punitive and/or economic loss damages. Your obligations hereunder shall survive termination of and, if funded, the funding of the SBA 504 Loan.

c. In the event the CDC is required to institute proceedings to collect from Applicant(s) the processing fee to which CDC is entitled pursuant to this Disclosure, CDC shall be entitled to reasonable attorneys' fees and costs incurred in such proceedings.

9. NO REPRESENTATIONS

The funding of the 504 Debenture and disbursement of the proceeds to you is subject to United States Small Business Administration approval of your Application and is also subject to your satisfactory compliance with the terms set forth in the Debenture Authorization and all other applicable conditions. CDC and/or SBA may impose conditions not a part of the Authorization. By signing this Disclosure Statement you acknowledge that:

- i. CDC has made no representations to you;
- ii. CDC is not your agent or representative;
- iii. CDC has made no representations to you that a debenture Authorization will be issued in relation to your application;

- vi. You understand SBA approval may be revoked until the actual funding of your loan;
- vii. There is no representation or guaranty of your loan funding on any specific date; and

The applicable Federal regulations are subject to change, and therefore, the information contained herein may be changed without notice to you. Generally, Form 4506-T can be signed by: (1) an officer having legal authority to bind the corporation, (2) any person designated by the board of directors or other governing body, or (3) any officer or employee on written request by any principal officer and attested to by the secretary or other officer. A bona fide shareholder of record owning 1 percent or more of the outstanding stock of the corporation may submit a Form 4506-T but must provide documentation to support the requester's right to receive the information.

Partnerships. Generally, Form 4506-T can be signed by any person who was a member of the partnership during any part of the tax period requested on line 9.

All others. See section 6103(e) if the taxpayer has died, is insolvent, is a dissolved corporation, or if a trustee, guardian, executor, receiver, or administrator is acting for the taxpayer.

Note: If you are Heir at law, Next of kin, or Beneficiary you must be able to establish a material interest in the estate or trust.

Sections 112, 113, and 117 which prohibit discrimination on the grounds of race, color, sex, religion, marital status, handicap, age or national origin by recipients of Federal financing assistance; and will require appropriate reports and access to books and records. These requirements are also applicable to anyone who buys or takes control of the business. He/she realizes that if he/she does not comply with these nondiscrimination requirements, SBA can call, terminate, or accelerate repayment on his/her loan.

As consideration for any Management and Technical Assistance that may be provided, the CDC waives all claims against SBA and its consultants.

The CDC certifies that it has not paid anyone connected with the Federal government for help in getting this financial assistance. I agree to pay for or reimburse SBA for the cost of any surveys, title or mortgage examinations, appraisals, etc., performed by non-SBA personnel provided that I have given my consent.

Regulations issued by SBA prohibit the making of loans to relocate any operations of a small business which will cause a net reduction of one-third or more in the workforce of the relocating small business or a substantial increase in unemployment in any area of the country.

U.S. SMALL BUSINESS ADMINISTRATION

PART C

Statements Required by Law and Executive Order

Federal executive agencies, including the Small Business Administration (SBA), are required to withhold or limit financial assistance, to impose special conditions on approved loans, to provide special notices to applicants or borrowers and to require special reports and data from borrowers in order to comply with legislation passed by the Congress and Executive Orders issued by the President and by the provisions of various inter-agency agreements. SBA has issued regulations and procedures that implement these laws and executive orders, and they are contained in Parts 112, 113, 116, and 117, Title 13, Code of Federal Regulations Chapter 1, or Standard Operating Procedures.

Freedom of Information Act (5 U.S.C. 552)

This law provides, with some exceptions, that SBA must supply information reflected in agency files and records to a person requesting it. Information about approved loans that will be automatically released includes, among other things, statistics on our loan programs (individual borrowers are not identified in the statistics) and other information such as the names of the borrowers (and their officers, directors, stockholders or partners), the collateral pledged to secure the loan, the amount of the loan, its purpose in general terms and the maturity. Proprietary data on a borrower would not routinely be made available to third parties. All requests under this Act are to be addressed to the nearest SBA office and be identified as a Freedom of Information request.

Privacy Act (5 U.S.C. 552a)

A person can request to see or get copies of any personal information that SBA has in his or her file when that file is retrieved by individual identifiers such as name or social security numbers. Requests for information about another party may be denied unless SBA has the written permission of the individual to release the information to the requestor or unless the information is subject to disclosure under the Freedom of Information Act.

Under the provisions of the Privacy Act, you are not required to provide your social security number. But see Debt Collection notice below. Disclosures of name and other personal identifiers are, required for a benefit, as SBA requires an individual seeking assistance from SBA to provide it with sufficient information for it to make a character determination. In determining whether an individual is of good character, SBA considers the person's integrity, candor, and disposition toward criminal actions. In making loans pursuant to section 7(a)(6) of the Small Business Act (the Act), 15 USC Section 636(a)(6), SBA is required to have reasonable assurance that the loan is of sound value and will be repaid or that it is in the best interest of the Government to grant the assistance requested. Additionally, SBA is specifically authorized to verify your criminal history, or lack thereof, pursuant to section 7(a)(1)(B), 15 USC Section 636(a)(1)(B). Further, for all forms of assistance, SBA is authorized to make all investigations necessary to ensure that a person has not engaged in acts that violate or will violate the Act or the Small Business Investment Act, 15 USC Sections 634(b)(11) and 687(b)(a). For these purposes, you are asked to voluntarily provide your social security number to assist SBA in making a character determination and to distinguish you from other individuals with the same or similar name or other personal identifier.

The Privacy Act authorizes SBA to make certain "routine uses" of information protected by that Act. One such routine use for SBA's loan system of records is that when this information indicates a violation or potential violation of law, whether civil, criminal, or administrative in nature, SBA may refer it to the appropriate agency, whether Federal, State, local or foreign, charged with responsibility for or otherwise involved in investigation, prosecution, enforcement or prevention of such violations. Another routine use of personal information is to assist in obtaining credit bureau reports, including business credit reports on the small business borrower and consumer credit reports and scores on the principals of the small business and guarantors on the loan for purposes of originating, servicing, and liquidating small business loans and for purposes of routine periodic loan portfolio management and lender monitoring. See, SBA-21, Loan System, at 74 FR 14890 (April 1, 2009) as amended by notices published at 77 FR 15835 (3/16/2012) and 77 FR 61467 (10/9/2012) for additional background and other routine uses.

Right to Financial Privacy Act of 1978 (12 U.S.C. 3401)

This is notice to you as required by the Right of Financial Privacy Act of 1978, of SBA's access rights to financial records held by financial institutions that are or have been doing business with you or your business, including any financial institutions participating in a loan or loan guarantee. The law provides that SBA shall have a right of access to your financial records in connection with its consideration or administration of assistance to you in the form of a Government loan or loan guaranty agreement. SBA is required to provide a certificate of its compliance with the Act to a financial institution in connection with its first request for access to your financial records, after which no further certification is required for subsequent accesses. The law also provides that SBA's access rights continue for the term of any approved loan or loan guaranty agreement. No further notice to you of SBA's access rights is required during the term of any such agreement.

The law also authorizes SBA to transfer to another Government authority any financial records included in an application for a loan, or concerning an approved loan or loan guarantee, as necessary to process, service or foreclose on a loan or loan guarantee or to collect on a defaulted loan or loan guarantee. No other transfer of your financial records to another Government authority will be permitted by SBA except as required or permitted by law.

Debt Collection Act of 1982 Deficit Reduction Act of 1984 (31 U.S.C. 3701 et seq. and other titles)

These laws require SBA to aggressively collect any loan payments which become delinquent. SBA must obtain your taxpayer identification number when you apply for a loan. If you receive a loan, and do not make payments as they come due, SBA may take one or more of the following actions:

- Report the status of your loan(s) to credit bureaus
- Hire a collection agency to collect your loan
- Offset your income tax refund or other amounts due to you from the Federal Government
- Suspend or debar you or your company from doing business with the Federal Government
- Refer your loan to the Department of Justice or other attorneys for litigation
- Foreclose on collateral or take other action permitted in the loan instruments

Flood Disaster Protection Act (42 U.S.C. 4011)

Regulations have been issued by the Federal Insurance Administration (FIA) and by SBA implementing this Act and its amendments. These regulations prohibit SBA from making certain loans in an FIA designated floodplain unless Federal flood insurance is purchased as a condition of the loan. Failure to maintain the required level of flood insurance makes the applicant ineligible for any future financial assistance from SBA under any program, including disaster assistance.

Executive Orders -- Floodplain Management and Wetland Protection (42 F.R. 26951 and 42 F.R. 26961)

The SBA discourages any settlement in or development of a floodplain or a wetland. This statement is to notify all SBA loan applicants that such actions are hazardous to both life and property and should be avoided. The additional cost of flood preventive construction must be considered in addition to the possible loss of all assets and investments in future floods.

Occupational Safety and Health Act (15 U.S.C. 651 et seq.)

This legislation authorizes the Occupational Safety and Health Administration in the Department of Labor to require businesses to modify facilities and procedures to protect employees or pay penalty fees. In some instances, the business can be forced to cease operations or be prevented from starting operations in a new facility. Therefore, in some instances SBA may require additional information from an applicant to determine whether the business will be in compliance with OSHA regulations and allowed to operate its facility after the loan is approved and disbursed. Signing this form as borrower is a certification that the OSA requirements that apply to the borrower's business have been determined and the borrower to the best of its knowledge is in compliance.

Civil Rights Legislation

All businesses receiving SBA financial assistance must agree not to discriminate in any business practice, including employment practices and services to the public, on the basis of categories cited in 13 C.F.R., Parts 112, 113, and 117 of SBA Regulations. This includes making their goods and services available to handicapped clients or customers. All business borrowers will be required to display the "Equal Employment Opportunity Poster" prescribed by SBA.

Equal Credit Opportunity Act (15 U.S.C. 1691)

The Federal Equal Credit Opportunity Act prohibits creditors from discriminating against credit applicants on the basis of race, color, religion, national origin, sex, marital status or age (provided that the applicant has the capacity to enter into a binding contract); because all or part of the applicant's income derives from any public assistance program, or because the applicant has in good faith exercised any right under the Consumer Credit Protection Act. The Federal agency that administers compliance with this law concerning this creditor is the Federal Trade Commission, Equal Credit Opportunity, Washington, D.C. 20580.

Executive Order 11738 -- Environmental Protection (38 C.F.R. 25161)

The Executive Order charges SBA with administering its loan programs in a manner that will result in effective enforcement of the Clean Air Act, the Federal Water Pollution Act and other environmental protection legislation. SBA must, therefore, impose conditions on some loans. By acknowledging receipt of this form and presenting the application, the principals of all small businesses borrowing \$100,000 or more in direct funds stipulate to the following:

1. That any facility used, or to be used, by the subject firm is not cited on the EPA list of Violating Facilities.
2. That subject firm will comply with all the requirements of Section 114 of the Clean Air Act (42 U.S.C. 7414) and Section 308 of the Water Act (33 U.S.C 1318) relating to inspection, monitoring, entry, reports and information, as well as all other requirements specified in Section 114 and Section 308 of the respective Acts, and all regulations and guidelines issued thereunder.
3. That subject firm will notify SBA of the receipt of any communication from the Director of the Environmental Protection Agency indicating that a facility utilized, or to be utilized, by subject firm is under consideration to be listed on the EPA List of Violating Facilities.

Immigration and Nationality Act (8 U.S.C. 1101, et seq., as amended)

If you are an alien who was in this country illegally since before January 1, 1982, you may have been granted lawful temporary resident status by the United States Citizenship and Immigration Services pursuant to the Immigration Reform and Control Act of 1986 (Pub. L. 99-603). For five years from the date you are granted such status, you are not eligible for financial assistance from the SBA in the form of a loan or guaranty under section 7(a) of the Small Business Act unless you are disabled or a Cuban or Haitian entrant. When you sign this document, you are making the certification that the Immigration Reform and Control Act of 1986 does not apply to you, or if it does apply, more than five years have elapsed since you have been granted lawful temporary resident status pursuant to such 1986 legislation.

Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821 et seq.)

Borrowers using SBA funds for the construction or rehabilitation of a residential structure are prohibited from using lead-based paint (as defined in SBA regulations) on all interior surfaces, whether accessible or not, and exterior surfaces, such as stairs, decks, porches, railings, windows and doors, which are readily accessible to children under 7 years of age. A "residential structure" is any home, apartment, hotel, motel, orphanage, boarding school, dormitory, day care center, extended care facility, college or other school housing, hospital, group practice or community facility and all other residential or institutional structures where persons reside.

Executive Order 12549 as amended by E.O. 12689, Debarment and Suspension and 2 CFR Part 2700

1. The prospective lower tier participant certifies, by submission of this loan application, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.
2. Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participants shall attach an explanation to the loan application.

STATEMENTS REQUIRED BY LAW AND EXECUTIVE ORDER

SBA is required to withhold or limit financial assistance, to impose special conditions on approved loans, to provide special notices to applicants or borrowers and to require special reports and data from borrowers in order to comply with legislation passed by the Congress and Executive Orders issued by the President and by the provisions of various inter-agency agreements. SBA has issued regulations and procedures that implement these laws and executive orders. These are contained in Parts 112, 113, and 117 of Title 13 of the Code of Federal Regulations and in Standard Operating Procedures.

Privacy Act (5 U.S.C. 552a)

Any person can request to see or get copies of any personal information that SBA has in his or her file when that file is retrieved by individual identifiers such as name or social security numbers. Requests for information about another party may be denied unless SBA has the written permission of the individual to release the information to the requestor or unless the information is subject to disclosure under the Freedom of Information Act.

Under the provisions of the Privacy Act, you are not required to provide your social security number. Failure to provide your social security number may not affect any right, benefit or privilege to which you are entitled. Disclosures of name and other personal identifiers are, however, required for a benefit, as SBA requires an individual seeking assistance from SBA to provide it with sufficient information for it to make a character determination. In determining whether an individual is of good character, SBA considers the person's integrity, candor, and disposition toward criminal actions. Additionally, SBA is specifically authorized to verify your criminal history, or lack thereof, pursuant to section 7(a)(1)(B), 15 USC Section 636(a)(1)(B) of the Small Business Act (the Act). Further, for all forms of assistance, SBA is authorized to make all investigations necessary to ensure that a person has not engaged in acts that violate or will violate the Act or the Small Business Investment Act, 15 USC Sections 634(b)(11) and 687(b)(a), respectively. For these purposes, you are asked to voluntarily provide your social security number to assist SBA in making a character determination and to distinguish you from other individuals with the same or similar name or other personal identifier.

The Privacy Act authorizes SBA to make certain "routine uses" of information protected by that Act. One such routine use is the disclosure of information maintained in SBA's investigative files system of records when this information indicates a violation or potential violation of law, whether civil, criminal, or administrative in nature. Specifically, SBA may refer the information to the appropriate agency, whether Federal, State, local or foreign, charged with responsibility for, or otherwise involved in investigation, prosecution, enforcement or prevention of such violations. Another routine use is disclosure to other Federal agencies conducting background checks; only to the extent the information is relevant to the requesting agencies' function. See, 74 F.R. 14890 (2009), and as amended from time to time for additional background and other routine uses.

Right to Financial Privacy Act of 1978 (12 U.S.C. 3401) -- This is notice to you as required by the Right to Financial Privacy Act of 1978, of SBA's access rights to financial records held by financial institutions that are or have been doing business with you or your business, including any financial institutions participating in a loan or loan guaranty. The law provides that SBA shall have a right of access to your financial records in connection with its consideration or administration of assistance to you in the form of a Government guaranteed loan. SBA is required to provide a certificate of its compliance with the Act to a financial institution in connection with its first request for access to your financial records, after which no further certification is required for subsequent accesses. The law also provides that SBA's access rights continue for the term of any approved loan guaranty agreement. No further notice to you of SBA's access rights is required during the term of any such agreement. The law also authorizes SBA to transfer to another Government authority any financial records included in a application for a loan, or concerning an approved loan or loan guarantee, as necessary to process, service or foreclose on a loan guaranty or collect on a defaulted loan guaranty.

Freedom of Information Act (5 U.S.C. 552)

This law provides, with some exceptions, that SBA must supply information reflected in agency files and records to a person requesting it. Information about approved loans that will be automatically released includes, among other things, statistics on our loan programs (individual borrowers are not identified in the statistics) and other information such as the names of the borrowers (and their officers, directors, stockholders or partners), the collateral pledged to secure the loan, the amount of the loan, its purpose in general terms and the maturity. Proprietary data on a borrower would not routinely be made available to third parties. All requests under this Act are to be addressed to the nearest SBA office and be identified as a Freedom of Information request.

Flood Disaster Protection Act (42 U.S.C. 4011) -- Regulations have been issued by the Federal Insurance Administration (FIA) and by SBA implementing this Act and its amendments. These regulations prohibit SBA from making certain loans in an FIA designated floodplain unless Federal Flood insurance is purchased as a condition of the loan. Failure to maintain the required level of flood insurance makes the applicant ineligible for any financial assistance from SBA, including disaster assistance.

Executive Orders -- Floodplain Management and Wetland Protection (42 F.R. 26951 and 42 F.R. 26961) -- SBA discourages settlement in or development of a floodplain or a wetland. This statement is to notify all SBA loan applicants that such actions are hazardous to both life and property and should be avoided. The additional cost of flood preventive construction must be considered in addition to the possible loss of all assets and investments due to a future flood.

Occupational Safety and Health Act (15 U.S.C. 651 et seq.) -- This legislation authorizes the Occupational Safety and Health Administration in the Department of Labor to require businesses to modify facilities and procedures to protect employees or pay penalty fees. Businesses can be forced to cease operations or be prevented from starting operations in a new facility. Therefore, SBA may require additional information from an applicant to determine whether the business will be in compliance with OSHA regulations and allowed to operate its facility after the loan is approved and disbursed. Signing this form as an applicant is certification that the OSHA requirements that apply to the applicant business have been determined and that the applicant, to the best of its knowledge, is in compliance. Furthermore, applicant certifies that it will remain in compliance during the life of the loan.

Civil Rights Legislation -- All businesses receiving SBA financial assistance must agree not to discriminate in any business practice, including employment practices and services to the public on the basis of categories cited in 13 C.F.R., Parts 112, 113, and 117 of SBA Regulations. This includes making their goods and services available to handicapped clients or customers. All business borrowers will be required to display the "Equal Employment Opportunity Poster" prescribed by SBA.

Equal Credit Opportunity Act (15 U.S.C. 1691) -- The Federal Equal Credit Opportunity Act prohibits creditors from discriminating against credit applicants on the basis of race, color, religion, national origin, sex, marital status or age (provided the applicant has the capacity to enter into a binding contract); because all or part of the applicant's income derives from any public assistance program, or because the applicant has in good faith exercised any right under the Consumer Credit Protection Act.

Executive Order 11738 -- Environmental Protection (38 F.R. 251621) -- The Executive Order charges SBA with administering its loan programs in a manner that will result in effective enforcement of the Clean Air Act, the Federal Water Pollution Act and other environment protection legislation.

Debt Collection Act of 1982, Deficit Reduction Act of 1984 (31 U.S.C. 3701 et seq. and other titles) -- These laws require SBA to collect aggressively any loan payments which become delinquent. SBA must obtain your taxpayer identification number when you apply for a loan. If you receive a loan, and do not make payments as they come due, SBA may take one or more of the following actions: (1) report the status of your loan(s) to credit bureaus, (2) hire a collection agency to collect your loan, (3) offset your income tax refund or other amounts due to you from the Federal Government, (4) suspend or debar you or your company from doing business with the Federal Government, (5) refer your loan to the Department of Justice or other attorneys for litigation, or (6) foreclose on collateral or take other action permitted in the loan instruments.

Immigration Reform and Control Act of 1986 (Pub. L. 99-603) -- If you are an alien who was in this country illegally since before January 1, 1982, you may have been granted lawful temporary resident status by the United States Immigration and Naturalization Service pursuant to the Immigration Reform and Control Act of 1986. For five years from the date you are granted such status, you are not eligible for financial assistance from the SBA in the form of a loan guaranty under Section 7(a) of the Small Business Act unless you are disabled or a Cuban or Haitian entrant. When you sign this document, you are making the certification that the Immigration Reform and Control Act of 1986 does not apply to you, or if it does apply, more than five years have elapsed since you have been granted lawful temporary resident status pursuant to such 1986 legislation.

Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821 et seq.)

Borrowers using SBA funds for the construction or rehabilitation of a residential structure are prohibited from using lead-based paint (as defined in SBA regulations) on all interior surfaces, whether accessible or not, and exterior surfaces, such as stairs, decks, porches, railings, windows and doors, which are readily accessible to children under 7 years of age. A "residential structure" is any home, apartment, hotel, motel, orphanage, boarding school, dormitory, day care center, extended care facility, college or other school housing, hospital, group practice or community facility and all other residential or institutional structures where persons reside.

Executive Order 12549, Debarment and Suspension 2 CFR 2700

NOTICES REQUIRED BY LAW

The following is a brief summary of the laws applicable to this solicitation of information.

Paperwork Reduction Act (44 U.S.C. Chapter 35)

SBA is collecting the information on this form to make a character and credit eligibility decision to fund or deny you a loan or other form of assistance. The information is required in order for SBA to have sufficient information to determine whether to provide you with the requested assistance. The information collected may be checked against criminal history indices of the Federal Bureau of Investigation.

Privacy Act (5 U.S.C. § 552a)

Any person can request to see or get copies of any personal information that SBA has in his or her file, when that file is retrieved by individual identifiers, such as name or social security numbers. Requests for information about another party may be denied unless SBA has the written permission of the individual to release the information to the requestor or unless the information is subject to disclosure under the Freedom of Information Act.

Under the provisions of the Privacy Act, you are not required to provide your social security number. Failure to provide your social security number may not affect any right, benefit or privilege to which you are entitled. Disclosures of name and other personal identifiers are, however, required for a benefit, as SBA requires an individual seeking assistance from SBA to provide it with sufficient information for it to make a character determination. In determining whether an individual is of good character, SBA considers the person's integrity, candor, and disposition toward criminal actions. In making loans pursuant to section 7(a)(6) the Small Business Act (the Act), 15 USC § 636 (a)(6), SBA is required to have reasonable assurance that the loan is of sound value and will be repaid or that it is in the best interest of the Government to grant the assistance requested. Additionally, SBA is specifically authorized to verify your criminal history, or lack thereof, pursuant to section 7(a)(1)(B), 15 USC § 636(a)(1)(B). Further, for all forms of assistance, SBA is authorized to make all investigations necessary to ensure that a person has not engaged in acts that violate or will violate the Act or the Small Business Investment Act, 15 USC §§ 634(b)(11) and 687b(a). For these purposes, you are asked to voluntarily provide your social security number to assist SBA in making a character determination and to distinguish you from other individuals with the same or similar name or other personal identifier.

When the information collected on this form indicates a violation or potential violation of law, whether civil, criminal, or administrative in nature, SBA may refer it to the appropriate agency, whether Federal, State, local, or foreign, charged with responsibility for or otherwise involved in investigation, prosecution, enforcement or prevention of such violations. See 74 Fed. Reg. 14890 (2009) for other published routine uses.
